

Shift Creator (Team Groot)  
Team Meeting  
CS 386 - Software Engineering  
Spring 2018  
Prof. Dr. Marco Gerosa

**Location:**

Engineering Building

**Time:**

5:10 pm - 6:00 pm

**Day:**

Tuesday (4/3/18)

**Who Attended:**

Nicholas Anderson  
Brandon Thomas  
Carli Martinez  
Ryan Wallace

**Minutes:**

Group - Assigned hosting duty (to put our website online) to Carli

Group - Assessed current stage of development, discussed next steps:

1. Reformat output into table form
2. Tackle algorithm and add more logic into it
3. Host website online

Group - Confirmation on when we are meeting next. Have everyone get ready to begin D4. Did not discuss how work will be divided yet.
